## 1<sup>st</sup> National Seminar on Process Engineering and Industrial Development (NSPEID'25)

**Hybrid Onsite-Online**

**Boumerdes on November 5<sup>th</sup> and 6<sup>th</sup>, 2025**

### About the NSPEID'25 conference

The 1st National Seminar on Process Engineering and Industrial Development (NSPEID'25), organized by the Department of Process Engineering at the Faculty of Technology, University of Boumerdès, serves as a dynamic forum for researchers and industry professionals to exchange ideas, foster collaborations, and showcase the latest breakthroughs in process engineering. This event also aims to drive innovation by exploring the transformative impact of emerging technologies, such as artificial intelligence and process modeling, on industrial practices and development.

### Conference Topics

**Axis 1:** Chemical, Pharmaceutical, and Food Processes.

**Axis 2:** Process Engineering of Materials and Polymers, Biomaterials, Nanomaterials, and Nanotechnology.

**Axis 3:** Renewable Energy and New Technology.

**Axis 4:** Environment and Water Treatment.

**Axis 5:** Recycling and Waste Recovery.

**Axis 6:** Simulation and Artificial Intelligence in Industry.

### **Important dates**

**Submission Deadline:** September 25th, 2025

**Notification of Acceptance:** October 5th, 2025

**Seminar Dates:** November 5<sup>th</sup> and 6<sup>th</sup>, 2025

### **Abstract submission**

It is our pleasure to invite you to submit your abstracts for SGPDI'25 via the following email [1stspeid-25@univ-boumerdes.dz](mailto:1stspeid-25@univ-boumerdes.dz)

The abstracts and the registration form must be written according to the downloadable template.

Accepted and presented abstracts will be published in a proceeding with an ISBN
